

# How To Become A Member

- 1) Go to our Private website, [www.HealthGems.com](http://www.HealthGems.com).
- 2) Since a correctly completed Private Membership Form must be mailed in along with your check or money order **before** we can communicate with you about our products, go to the top left-hand column of our website and click on, "Membership Form".
- 3) Create a Completed Form:
  - a. Print out, fill out (with your full lawful name), sign your full lawful name with an **original signature**, and date your Health Gems© Private Membership Form.
  - b. Private referrals are required to become a member, so record on your form under "How did you hear about us?" both first and last name of whom privately referred you to us.
- 4) All information from Health Gems© to you is strictly for entertainment purposes only.
- 5) For more entertainment about our products, our flyers and articles are private, confidential, copyrighted, protected from disclosure and only snail mailed with Product Orders.
- 6) If you already obtained a Health Gems© product from another Private Member, that member is solely responsible for providing more entertainment to you.
- 7) Go to the top left-hand column of our website and click on "Products" to peruse our products.
- 8) If you know what you want:
  - a. Mail in your Completed Form along with your **check or money order only** for your Product Order as **we do not accept credit cards, Venmo, PayPal, other electronic forms of payment, or international checks**.
  - b. Our one-time membership fee is three dollars; however, when you purchase products at the same time you become a member, do not send an extra three dollars as the membership fee will be internally accounted for by us from your Product Order.
  - c. If you are ordering more than one product, you can email us at [info@HealthGems.com](mailto:info@HealthGems.com) for a possibly reduced combined shipping.
- 9) If you do not know what you want:
  - a. Snail mail in your Completed Form along with your **check or money order only**, for three dollars, for our one-time membership fee.
- 10) Once your Completed Form and check/money order are processed, and, we have confirmed your membership, you may thereafter begin to email, mail or call us (**we do not text**) with **non-consultative, brief, product only questions** – but provide your number and email.
- 11) Please consult an appropriate healthcare practitioner for consultative questions, which are complex since they pertain to a member's unique situation. We do suggest our members re-read our copyrighted flyers and articles regularly; however, a Private Member Entertainment Session is offered at 350/hour, which does not replace an appropriate healthcare practitioner.
- 12) Remove "Private Call Block" on your phone as all of our outgoing calls are listed as "Private".
- 13) All checks or money orders are to be made out to Health Gems and mailed along with your Completed Form to:
